City mcp

It is ascertained that there is a Veterinary Inspector in the Police mcp also on Rs 45-3-60 & the present incumbent is getting Rs 60. He is in the mcp for over 20 years

Vide 7/4 Subject with reference to para 4 supra

See 7/4 In this office letter no L 3356-57 dated 31 X 1941, instructions were issued to the MC concerned of the President, Municipal Md. to arrange for the transfer of all approved ministerial executive who are in the mcp for over five years

Mr E P Mannas as a Veterinary Inspector carries 75-5-100+5 CA in the Municipality. He is in the mcp for over 30 years. He is in charge of only the Slaughter House. When the President requested the Director of Agriculture to transfer him also to the Veterinary Dept the latter has replied to say that the said Vety Inspector is unfit for work in the Vety Dept as he has done only slaughter house work, that his services may be used in the Municipal bullocks instead of utilising the services of the Officers of the Veterinary Dept for the Municipal bullocks or that he may be retired as he has put in already 30 years of service

Serial No

It is seen that in the year 1937 an allowance of Rs 25/- p.m. was sanctioned to another Veterinary Doctor employed to look after the health of the bullocks maintained in the city Mdy when there is already paid Vety Inspector in Rs 75-5-100-5 for the employ of the city Mdy; there is no reason why the Mdy be should incur an additl expr of Rs 25/- p.m. for another Vety Doctor for looking after the animals maintained by the Mdy It is therefore for orders if as suggested by the Director of Agriculture the Vety Inspector Mr Marmus may not be directed to look after the Mdy bullocks also, as this would save the Mdy an expr of Rs 25/- p.m. Further this has to be treated as part of parcel of the duties of the Veterinary Inspector

As the grade of pay of the Vety Inspector employed by the Municipality Mdy is only Rs 45-3-60 Mr Marmus whose pay is Rs 100 in the grade of Rs 75-5-100 Cannot be transferred to the same Mdy, unless
